

HAPPY NEW YEAR

THE 2009 - 2010 ACTS (C.P. KILGORE BIBLE COLLEGE) IN MANILA, PHILIPPINES

Thank you partners for a very fruitful year!

The year 2009 was a blessed and fruitful year thanks to all of you who have stood with us through prayers and finances. A day does not go by without thinking of your personal sacrifices to partner with us in reaching the lost in Asia. Thank you so much!

I would like to dedicate this newsletter to the work in the Philippines, even though we were able to minister in Malaysia, Singapore,

Vietnam, Prague, Serbia, and Hungary this year.

We were asked to serve as Executive Vice President of ACTS (C.P. Kilgore Bible College in Manila for the 2009-10 school year. We are pleased to have 109 registered students, including the night school. As usual, we have a very enthusiastic group of young people who are giving their all to serve the Lord.

Because of the tragic historical flooding Manila had this past year, the Bible school students were given the chance to spend much time in the field ministering to the hurting families who lost their homes and belongings. They held Bible studies and church services in the displacement shelters, and dispersed food, drinking water and clothes that were purchased by funds donated through Compassion Services of the UPCI.
